

PharmaDirect, the no. 1 bi-weekly pharmacy newsletter, is a leading channel for reaching target pharmacy customers. With the most comprehensive list in the industry, PharmaDirect delivers the latest information through the pharmacist's preferred distribution method i.e. email and fax, providing complete coverage.

Pharmacists are continuously segmented by their primary/secondary activity and each individual is validated to be licensed and actively practicing.

News items may appear under recognized StatCom banners for added impact. For increased readership, the classifieds section is available online.

PharmaDirect's flexible and cost-effective pricing allows selection from single placement options to annual subscription packages with unlimited insertions, providing the optimal reach and frequency.
